DEDICATION

For her patience and understanding through two trying years, and above all, for her friendship, we hope that the dedicating of this 1959 edition of the Talisman will show how much we love and appreciate MRS. ROSALIND BRITT.

OUR PRINCIPAL

Harry James Archer

Dear Seniors,

I greet you as you enter this new phase of life with a challenge for more creative endeavors in the future, but more important for growth toward your fellow citizens, to your community and to the people everywhere—the world over.

The quality of any school is measured to a large extent by the spirit of its student body. We are proud of our faculty, other personnel, proud of our school's traditions, and above all, proud of our senior class.

So to you, our graduating class of 1959, my congratulations.

Respectfully,

Harry J. Archer, Jr.

ARTICLE III

To the Junior Class we leave our title "Sophisticated Seniors" and hope they will hold it well.

THOMAS VICK leaves his schoolbus to Charlotte Aycock, so that she will still have a front seat on it each day next year.

STEPHEN CRAFT leaves his love of science to Gerald Gay because he sure can use it.

GERALD BATTEN leaves his appealing look to A. V., his brother, in hopes that it will help him out with his girls.

GLENN BEAMAN leaves his schoolbus broom to Ralph Heath, thinking maybe he can use it next year.

FRANCES LANG leaves her unused fouls to Temy Gay to use in next years games.

J. B. LANGLEY leaves gladly.

LOIS JOHNSON leaves all her giggles to Belle Roberson even though she doesn't need them.

HENRY COX leaves his ability to aggravate everyone to Jerry Smith.

ROY LEE WOOTEN leaves nothing he takes it all with him.

JIMMY SMITH leaves his ability to get along with the Coach to Roy Jones, he's got a feeling he needs it.

HARRY MOORE leaves his way with the women to Robert Roberson even though he doesn't need it.

CHRISTINE ORMOND leaves her ability to flirt with boys and get away with it to Linda Huber.

CARL TYSON leaves his ability to make an "A" in Agriculture to people who are on the border line.

S. W. SUMRELL leaves his great amount of hair to anyone that needs it.

VIVIAN BEAMON leaves her blushes to Linda Parker because she seems to need them.

LEAFY MAE JONES leaves her acting ability to be divided among the Juniors.

ODIA HUBER leaves his quietness to all the freshman girls because they surely need it.

MIKE MAYO leaves his winning ways with girls to the Junior boys.

In witness whereof, we the Senior Class of 1959, do set seal on this, the twenty-seventh day of May, in the year of our Lord, Nineteen Hundred and Fifty-nine.

PROPHECY

One day during study hall, as I was day dreaming, I was startled to see the seniors marching in review. Years had passed! Walstonburg is now a thriving town with ultra-modern stores and office buildings.

As I look around the town, I find a very modern building. On the front is a sign. What does it say? Now it is a little clearer, I read Walstonburg High School. As I go up the steps and approach the door I see VIVIAN BEAMON, 1st grade teacher welcoming little Frances, who is clinging to her mom, the former FRANCES LANG. On down the hall I see LEAFY MAE JONES, 2nd grade teacher singing with her boys and girls. In the Gym, is Coach JIMMY SMITH working with his basketball team. He is preparing for a game with Wilson High, where HENRY COX is now head coach.

Leaving the school and going up the street, I come to an Auto Repair Shop, Co-owned and operated by ROY LEE WOOTEN and GERALD BATTEN. They tell me that the building across the street is a Science Laboratory that is managed by Laboratory technicians, Doctors THOMAS VICK and STEPHEN CRAFT who are working on a very secret project. Adjoining the laboratory is a very modern hospital, in which LOIS JOHNSON is head nurse and CHRISTINE ORMOND is head of pediatrics.

Beside the Post Office is a fine Office building owned by GLENN BEAMAN.

The Air Force maintains a recruiting office head manned by CARL TYSON and J. B. LANGLEY.

Riding out into the residential section of town in my Sumrell Station Wagon (my own invention of which I am justly proud), I see a nice home in which FRANCES LANG (retired physical therapist) is raising her family. Across the street is HARRY MOORE, gentleman farmer, and his family.

On out into the country I meet a State Patrol Car driven by MIKE MAYO. Following close behind is another Patrol Car driven by ODIA HUBER. The sirens are wide open.

All of a sudden I awake with a start the bell is ringing Study Hall is over, it is time for an English test and I haven't time to study.

Prophet

CLASS HISTORY

We, the Seniors of 1959, of Walstonburg High School, have climbed a ladder built by dreams step by step. As the time of graduation draws near we recall those dreams remembering the desire for their fulfillment and the joy of realization.

One of our dreams was to finally get in high school. Finally we became green freshmen. With Mr. Ben Wethington our teacher we spent a fun-packed freshman year. We really had many things to learn. Days quickly passed by and before we knew it it was vacation time.

September 1954, school again and we were Sophomores. We felt especially important that year. Our teacher Mrs. Richard Anthony packed another year for us. The height of our ambition was to become Juniors. We had many things to look forward to as Juniors. We would have a Junior play and a Junior Supper. We thought there was nothing more important in the world than getting to be Juniors.

Now we are Juniors at last. We had a full year already planned for us. We were very glad to have Mrs. Russell Britt as our Junior teacher. One of our big surprises in our Junior year was our trip to New York and Washington. Of course this made us have to earn money any way we possibly could and believe you me we really did it. First we had our Junior Supper. Second came our Junior Play, "The Scarecrow Creeps." We had a very small Junior class with only five girls and fourteen boys but we finally raised enough money to go to New York. Boy, did we have a swell time. By the time our Junior year was over we really thought we were the most important people in the whole school. At last we were going to be Seniors.

Last of all our Senior year rolls around. The first day we came back from vacation we were very happy to find out that we were going to have Mrs. Britt as our Senior sponsor. We were all excited over our class rings. We knew we were important because we were wearing a class ring. Another thing we had an annual to publish which meant plenty of work and plenty of money. We also gave a Senior play, "The Honeymoon is Over." We had a Senior Supper to prepare for. We really had to work hard. Everyone seems to get the idea when you get to be Seniors you have nothing to do.
